

ITINERARY BARBADOS 2022

	Notes	
Security Wristbands & Passes	Wristbands and passes MUST be worn/shown at every event and will be asked for by The Hilton Security every time you enter or re enter the hotel this is for your security and to stop people ATTEMPTING to attend events who have not paid. There will be security on at all time aon the The Hilton front gates Beach & poolside, and at all of our outside events & venues .Security may at any time ask to see your events pass or wristband (please just show them they are doing their job)	
Quiet Time	Quiet time is the time No music is played on the complex - this is so people can rest - sleep, and prepare for events later in the day or the next day. Please respect this quiet time by not playing loud music in your rooms to ensure people are able to get their rest. We thank you in advance for your co-operation	
Excursions & Tours	You can Book Here for your tours and excursions. We use a black owned local business for our tours , as we like to support local businesses not the large American companies you find online. If you wish to book the Catamaran Cruise that stops to swim with the turtles The Best Date is 2 nd Nov as many of our group will be on that Catamaran .It is also cruise ship season when we are in Barbados, so these tours sell out very quickly & way in advance so book in ASAP in advance to avoid disappointment. We will also have The Blue Isles team in reception especially to help you	
Bajan Buffet	Anything in red is an extra cost and will be charged on the day. To be added to the buffets call 0208 123 9394 at least 10 days prior to arrival so the Hilton can order in the correct amount of food
